Karachi, dated the 13-04-2026.

To,

The Advisor-M
Provincial Ombudsman Secretariat,
Sindh, Karachi.

SUBJECT: COMPLAINT NO. POS/01367/2026/ADV-M FILED BY MR. OSAMA AHMED REGARDING PAYMENT OF SERVICE DUES TO THE COMPLAINANT.

With reference to your Notice No. POS/1367/2026/Adv-M No./8313 dated 7th April, 2026 on the subject cited above, it is respectfully submitted that the case file of the deceased employee was earlier processed and forwarded to Internal Audit (KMC) for pension and other service dues. After completion of due process at their end, the same has now been returned to Town Municipal Corporation (TMC) Orangi for completion of remaining formalities and requisite documentation.

The Internal Audit, KMC, has indicated that certain pension-related requirements are yet to be fulfilled, specifically the provision of bank account details along with a copy of cheque, which is a mandatory requirement for processing pension and other financial benefits.

In this regard, the complainant has been requested to submit the requisite bank account details; however, the same are still awaited. Despite efforts, the complainant has not provided the required documents, which has resulted in pendency of the case at this stage.

It is further submitted that upon receipt and completion of the required pension documentation, the case shall again be forwarded to the Welfare Department, KMC, for processing of pension and other admissible benefits.

Thereafter, once the case is finalized at KMC and the file is returned to TMC Orangi, any remaining service dues, if payable, shall be processed and cleared strictly in accordance with the applicable rules and regulations.
